Options and installation

- Branding and integration scope on request

Confirm the mechanical drawing and installation accessories before ordering.

Ordering and software scope

Request sample availability and a configuration-specific quotation. Lead time and certification documentation are confirmed before ordering.

Confirm price, taxes, freight, warranty and compliance documents in the quotation. Scheduling, groups and CMS/API require a demonstration and agreed scope; the expanded MagiRealm content engine remains on the roadmap. Image retention power is not a whole-device power or battery-life specification.
