

Canvas 7.09 Insert

AES-0709V

A high-density 282 ppi color display insert for close viewing and custom frames. Available for engineering evaluation while reliability qualification continues.

DVT engineering sample

Supply form	Engineering frame insert
Resolution	1200 × 1600
Pixel density (ppi)	282
Display area	108 × 144 mm
Enclosure	185 × 149 × 14 mm
Power	5,000 mAh rechargeable battery; USB-C
Image updates	Wi-Fi app push or TF card; Bluetooth 5.0

Standard scope

- ABS + PC display insert, battery and agreed factory firmware
- TF-card slot; card not included
- Decorative outer frame is separate

Options and installation

- Branding and integration scope on request

Confirm the mechanical drawing and installation accessories before ordering.

Ordering and software scope

DVT samples for evaluation. Production release and batch timing require confirmation after reliability qualification.

Confirm price, taxes, freight, warranty and compliance documents in the quotation. Scheduling, groups and CMS/API require a demonstration and agreed scope; the expanded MagiRealm content engine remains on the roadmap. Image retention power is not a whole-device power or battery-life specification.
