

Canvas A1 · 40.5

AES-4050V

An A1-format project display for replacing low-frequency printed posters. Specify a complete unit or a panel/TCON integration as separate supply scopes.

Project quotation

Supply form	A1-format project display
Resolution	3060 × 4320
Pixel density (ppi)	131
Display area	594.56 × 839.38 mm
Enclosure	616.2 × 916.2 × 29 mm (reference configuration)
Power	External battery pack or mains, by configuration
Image updates	Project firmware and content-update workflow agreed at demonstration

Standard scope

- Spectra 6 display and controller
- Metal enclosure in complete-unit configuration
- Power, software and mounting scope listed in the quote

Options and installation

- Anti-glare cover configuration
- Enclosure branding and mounting
- Demonstrated CMS or API integration

Confirm the mechanical drawing and installation accessories before ordering.

Ordering and software scope

Request sample availability and a project quote. Enclosure, power and delivery are confirmed per order.

Confirm price, taxes, freight, warranty and compliance documents in the quotation. Scheduling, groups and CMS/API require a demonstration and agreed scope; the expanded MagiRealm content engine remains on the roadmap. Image retention power is not a whole-device power or battery-life specification.
